

Featured Product: Dual Line Post

The Industry Leading Stanchion with Two Belts for Added Protection

Your search for the 'right post' ends here. The tried and true Retracta-Belt® is found all over the world in airports, casinos, universities, museums, hospitals, theme parks, stadiums and major retail chains.

Dual Line posts are **ADA-Compliant**, prevent line-ducking, and provide added protection for small children waiting in line. Retracta-Belt® stanchions are proudly **manufactured in the USA since 1992** and have proven for decades to be the safest and most durable post on the market.

Strong and slow rotary damper brake: with E-Z Back® Technology creates the safest and quietest post on the market

Universal belt end:

- ▶ Works with nearly every stanchion
- ▶ Locks to prevent accidental release

Thick and durable 10' belt: we can Dye-Sub or Silk Screen nearly any design

Two piece construction: allows easy on-site repair, unlike other manufacturer's dual line posts. Avoids the costly expense of shipping the unit to the manufacturer

Featuring Exclusive EVERstraight® Technology

- ▶ **Large diameter threaded steel base connection ensures the post remains straight for its lifetime**
- ▶ Heavy cast iron base keeps the post in place

Heavy gauge construction: combined with proven designs, strict quality standards and premium materials for the most durable post on the market

Built-in rubber floor protectors: ensure long lasting scuff protection

Additional Features

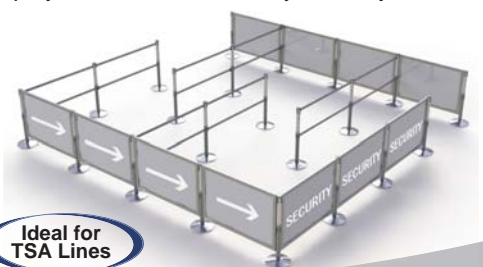

- ▶ Ten year warranty
- ▶ Built-in sign attachment so there's no need for costly adapters
- ▶ Available in four heavy gauge materials and hundreds of finishes
- ▶ Easy assembly, no tools required

Options & Upgrades

- ▶ Scuff resistant black ABS or matching metal base cover
- ▶ 30 lbs. base for added stability
- ▶ Wheels for easy transportation
- ▶ Knocked-Down shipping
- ▶ Weatherproofing
- ▶ Mini Socket, Magnetic, Fixed or Removable post mounts

Post-N-Panel Systems

Post-N-Panels easily integrate with Dual Line posts, providing a secure structural barrier and a signage display. See Post-N-Panel Systems flyer for details.

Ideal for TSA Lines
