

Turn your customer queue lines into a point of sale.

## Featured Product: Model BOWL12

**Increase sales on last minute items with the Impulse Buy Bowl.**

This simple add-on item can boost sales by placing products in the front of your customers while they wait in line. Simply screw the bowl on the top of any existing Retractable-Belt® with the included thumb screw. Increase the impact by adding a sign to provide pricing and other information about the product. Signs are available in 6"x11" and 8.5"x11" models for your own paper sign inserts. The clear plastic bowl is made of polyethylene that is rigid enough to hold shape, yet flexible so it won't crack with abuse.
