

U.S. Manufacturer of Signs and Crowd Control Systems Since 1964

Post-N-Panel Systems

Create a 2-in-1 barrier system and prominent sign display

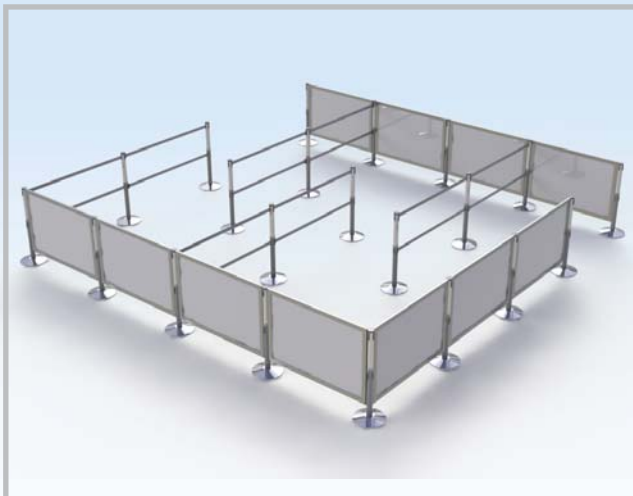

Easily add on to Retractable-Belt® posts to create a rigid, secure crowd control system

Use as a structural barricade for:

- ▶ Creating an attractive, orderly queuing system
- ▶ Privacy & screening areas
- ▶ Securely restricting access to unauthorized areas

Use as a prominent display for:

- ▶ Co-op advertising
- ▶ Logos & branding
- ▶ Signage and wayfinding

Heavy Duty Panels

Premium construction to withstand the toughest wear and tear.

48"W x 34"H Black Anodized Heavy Duty Panels with Frosted Acrylic inserts.

- ▶ Heavy gauge aluminum frame
- ▶ Ideal for defining a queue line perimeter
- ▶ Can upgrade to Adjustable EZ Off End Blocks.
- ▶ 'Privacy Panels' (48"W x 66"H) create or designate a booth for security areas
- ▶ Standard tamper-proof design protects inserts
- ▶ Ready for post-top signage

Panel Features & Options

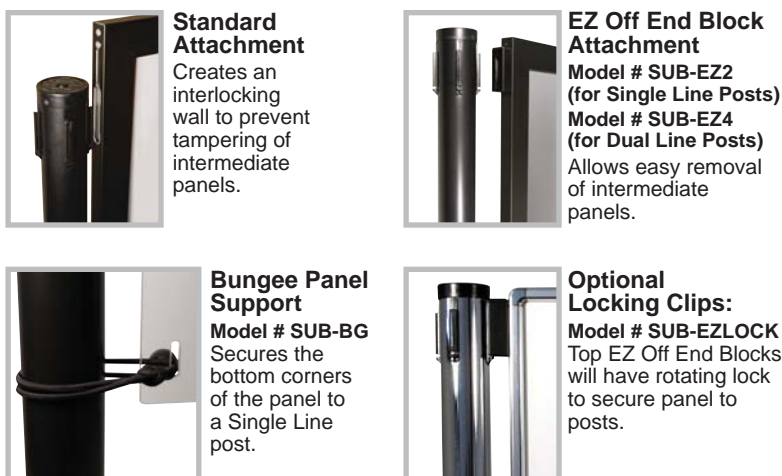

Features

- ▶ **New Adjustable EZ Off End Blocks:** A flexible panel attachment that allows easy removal from the post. Required when using panels with Mini Socket, Magnetic, Fixed or Removable mounted posts.
- ▶ **Suction Cup Baseweight available:** Recommended with portable bases to prevent Post-N-Panel system from moving throughout the day.
- ▶ Dual Line posts are recommended with all panel systems, however Single Line posts can be used for smaller panels in light traffic areas or when cost is a concern.
- ▶ **Optional Bungee Panel Support:** Required when panels are used outdoors with Single Line posts.
- ▶ **Panels easily integrate with Retractable-Belt® stanchions:** Visit our website for more information about post styles.
- ▶ **All panels and finishes are suitable for outdoor use:** When choosing a post style, select an outdoor finish.
- ▶ Hundreds of powdercoated colors available.
- ▶ **10 year warranty.**

Post Mount Options

Attachment Options

Standard Attachment

Creates an interlocking wall to prevent tampering of intermediate panels.

EZ Off End Block Attachment

Model # SUB-EZ2 (for Single Line Posts)
Model # SUB-EZ4 (for Dual Line Posts)
Allows easy removal of intermediate panels.

Bungee Panel Support

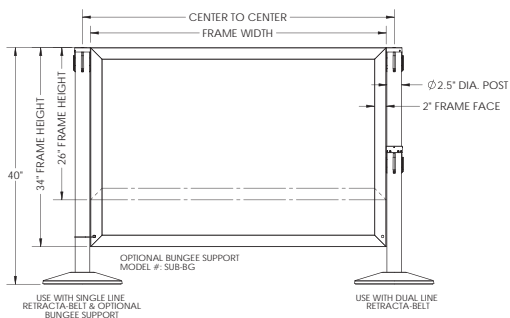

Model # SUB-BG
Secures the bottom corners of the panel to a Single Line post.

Optional Locking Clips:

Model # SUB-EZLOCK
Top EZ Off End Blocks will have rotating lock to secure panel to posts.
