

Retracta-Belt® PRIME Single Line Post

Featured Product: Model 100

Proven Performance. PRIME Prices.

When you buy a Retracta-Belt® you're getting a high quality stanchion from a trusted manufacturer with 50 years of experience. So why buy anything else? Retracta-Belt PRIME® stanchions are economically priced, and feature technology and materials that will outperform any other low-cost stanchion on the market. We've analyzed design flaws of other similar products and corrected them to deliver you a low-cost stanchion worthy of the Retracta-Belt® name.

Strong and slow brake: made with E-Z Back® PRIME Technology for guaranteed safety

10' belt: thick, durable and 43% longer than competitors' posts

Steel post: resists denting and increases weight to keep the post in place

Built-in rubber floor protectors: around the ENTIRE base for maximum protection

Universal belt end:

- ▶ Works with nearly every stanchion
- ▶ Locks to prevent accidental release

Featuring Exclusive EVERstraight® PRIME Technology

- ▶ Innovative self-straightening base connection keeps post upright
- ▶ Heavy base keeps post in place

Buyer Beware! Many low cost stanchions leave out industry standard features such as a slow retracting brake system or a universal belt end that enables connection to existing stanchions. Ensure your product has these critical features.

Additional Features

- ▶ Three year warranty
- ▶ Same day shipping on stock items
- ▶ Ships Knocked-Down to save you money
- ▶ Easy assembly, no tools required
- ▶ Available in scuff resistant black ABS or matching metal base cover
