

# 10' and 15' Retracta-Cone Cone Toppers

Featured Product: Models RC10 & RC15

**Combine the visibility of a traffic cone with the added security of a retractable barrier.**

Create a safer environment for workers and pedestrians with the Retracta-Cone Cone Topper. While cones are commonly used to warn pedestrians of a work zone, the addition of a Retracta-Cone Cone Topper guides walkways and restricts access. These 10' or 15' barriers are a reusable, more visible and durable alternative to caution tape. Simply mount onto stacked or weighted traffic cones for a highly visible warning against hazardous areas.

Available in 10' (below) or 15' (right) belt lengths

Fits onto stacked or weighted traffic cones (not included)

**Belt end options:**  
universal, magnetic,  
S-Hook or suction cup

Two year warranty

Model #  
RC15FO-FO

## Typical Applications

- ▶ Stop pedestrians from walking in between traffic cones on work sites
- ▶ Cordon off open manhole covers
- ▶ Closing parking lots
- ▶ Designating warehouse forklift lanes
- ▶ Creating a hazard warning in construction zones

# Finishes & Belt Options for Retracta-Cone Cone Toppers

Specifications		
	RC10:	RC15:
Height	9-1/2"	8-1/2"
Width	3"	3-1/4"
Cone Hole Opening	3-1/4"	3-1/2"
Belt Width	1-7/8"	1-7/8"
Weight	2 lbs.	2 lbs.

## Belt End Options

### Universal (Standard)

- ▶ Attaches to Retracta-Cones, Receiving Ends, Magnetic Receiving Ends, and Cone Mount Receiving End (all sold separately).

### Magnetic

- ▶ Connects to magnetic surfaces such as warehouse racks without drilling holes.

### S-Hook

- ▶ Universal S-Hook belt end works without a receiving end. It can hook into items, or wrap around items and hook onto itself.

### Suction Cup

- ▶ Affixes to smooth surfaces without drilling holes (i.e. glass, stainless steel, aluminum, ceramic and other tile).
