

The Sanitation Station

Prevent the spread of germs while your customers wait in line.

Featured Product: Model SAN

Help prevent the spread of germs.

The touch-free dispenser automatically vends the exact amount of Purell® instant hand sanitizer (gel or foam) that kills 99.99% of disease causing germs on contact without the use of water, towels, or drying.

Available as a complete sanitation station or as an add-on that simply screws into the top of any existing Retractable-Belt® or Sign Post with no additional tools. All of our sanitizers come ready to use with batteries and a 1200 ml. Purell® gel refill. Additional refills are readily available from a variety of resellers everywhere.
